### I. Subject of a contract:

#### Cat

Breed: **sphynx**

Name: **Dani Danati** \_\_\_\_\_

Color:

Sex:

Date of Birth:

Animal class: **Breed**

Nursery: **Dani Danati**

### II. Duties of the parties:

Breeder undertakes:

- a) Send cat and related documents (paid registration paper from either WCF, TICA, CFA or FiFe at the time of purchase) to the buyer under this terms of this agreement.

The buyer undertakes:

- a) Accept the cat transferred to him and related documents
- b) Pay to the Breeder the amount in the amount and order provided in this Agreement
- c) Guarantee the humane treatment of animal
- d) The buyer has no right to remove the animal's claws, teeth without veterinary indications

### III. Price and calculation procedure:

The amount of this Agreement is \_\_\_\_\_ ( \_\_\_\_\_ ) and \_\_\_\_\_ (30% of \_\_\_\_\_) is paid as a deposit for reservation and this deposit will NOT be refunded in case the buyer changes his/her mind regarding purchase of this cat.

If something happens to this cat BEFORE the final delivery which makes the delivery impossible, a full refund of the deposit will be made.

### IV. Warranties and conditions:

- a) Breeder confirms that at the time of the sale the kitten is completely healthy, fully vaccinated, chipped, dewormed, what should be entered in the veterinary Passport.
- b) Breeder also warranties that the parents of the kitten is free of the feline leukemia virus (FeLV), feline infectious peritonitis (FIP), and the feline immunodeficiency virus (FIV), and cat flu viruses such as Calici, Chlamydia, Feline herpes and mycoplasma felis at the time of purchase.
- c) The Breeder gives a guarantee for the replacement of the animal in case of a positive diagnosis of the animal on HCM at the age of 1 year. But only before receiving the first kittens.

If a HCM kitten is found at the age of 1 year, the Buyer is required to notify the Breeder. Provide a repeated HCM test (only licensed cardiologists from leading clinics with official

recognition at the international level are accepted, the choice of which is consistent with the Breeder). If the diagnosis is confirmed, the owner at his own expense carries out the castration / sterilization operation of the animal and receives another animal of the same sex and quality for replacement.

- d) Breeder will not honor any health guarantee if the kitten / cat dies of a virus from contact with another animal not bred by SELLER. It is highly recommended that the above kitten / cat be quarantined during this 14 days period.
- e) If the Buyer chooses to vaccinate for feline infectious peritonitis (FIP), feline leukemia virus (FeLV), or feline immunodeficiency virus (FIV), this warranty is VOID. Also, Breeder will not warranty the kitten against any adverse reactions to future vaccinations.

**V. Term of this agreement**

This agreement comes into force from the moment of its signing by the parties and is valid until full performance of their obligations and settlements under this agreement.

**VI. Settlement of Disputes**

All disputes or disagreements arising between the parties under this Agreement or in connection with it are resolved through negotiations between the parties.
